COMMUNITY

THE GREENRIDGE ACTIVITY CENTER

We are pleased to announce the opening of a new multipurpose Activity Center that provides flexible space for our neighbors and community groups.

In addition to the age based programs we will provide, our Activity Center is also available for community rental. Our facility features a gymnasium, stage, 3 large meeting rooms, two small meeting rooms, and a kitchen.

GYM

Sports enthusiasts will appreciate the multi-sport gymnasium, with a college size basketball court and two volleyball courts. Bleacher type seating is available for up to 100 spectators. In addition, there is a 38' X 20' elevated stage in the gymnasium, a public address sound system, and stage lighting. The gym is available for rental by area sports leagues, businesses, performing arts groups, and for other private uses.

MEETING ROOMS

Our large meeting rooms provide space for business meetings, community groups, educational classes, and social events. Both round and rectangular tables, and chairs are available for use (set up fees apply).

Two smaller meeting rooms offer a more intimate setting for groups of up to 58 people.

All rooms are available for community use. For a complete listing of fees and availability, contact :
